

IMPORTANT VISA INFORMATION

Dear Traveler and Family,

As you prepare for your upcoming experience with Global Leadership Adventures, we would like to inform you that a tourist visa is required for your visit to Brazil. This visa must be obtained in advance of your departure from the United States.

We have enclosed complete visa instructions, including a visa application questionnaire and an instruction sheet from G3 Global Services, the visa service we recommend. The questionnaire must be completed and emailed to G3; a G3 Associate will complete your online application for your visa. Please note that these instructions are for the Brazil eVisa process. This visa is issued electronically, and you must carry a printout of the visa with you when you travel to Brazil. If you are under 18, please note that both of your parents must have valid passports in order for you to apply for an eVisa. If your parents do not have passports, you will need to have a visa stamped into your passport, and you can obtain the appropriate instructions from www.g3visas.com/GLA.html.

We recommend that you apply for your visa 3-8 weeks prior to your US departure. Please use an email address that you check regularly, as your completed eVisa will be returned via email.

Please ensure that your passport has at least two sets of blank pages marked "Visas" and will be valid for at least six months following your tour.

G3 Global Services can assist with new passports and passport renewals, if necessary.

These instructions are for **US citizens only**; if you are not a US citizen, or if you have any questions about the visa process, please contact G3 directly at 888-883-8472 or GLA@g3visas.com.
