

2019 Visa Information

Tanzania

U.S. citizens must obtain a Tourist Visa for Tanzania prior to departure from the USA. Instructions are below for completing the application process. The Visa requirements for non-US citizens vary widely.

Rustic Pathways has partnered with G3 Global Services to provide support for the visa process and make this as simple as possible for you. For US Citizens and residents, G3 can assist with visa applications as well as passport renewals and additional pages (fee paid directly to G3). G3 will refer non-US residents to the appropriate embassy, consulate or resource as needed free of charge.

Instructions for US Citizens

To take advantage of G3 assistance, please follow the attached application and an instruction sheet from G3 Global Services as well as the attached application. Please note that there are additional requirements listed for travelers under age 18. If you have any questions or problems as you move through this process, please reach out to G3 directly at 888-883-8472 or RusticPathways@g3visas.com.

Should you choose to apply for your visa directly through an embassy or different visa service, please contact your personal travel advisor for the additional information needed. The online forms are valid for G3 Global Services only.

We recommend that you apply for your visa 6-12 weeks prior to your departure from the US. If you wish to apply for your visa more than 12 weeks in advance of departure, please email RusticPathways@g3visas.com to discuss your visa processing.

Also note, your passport should be valid for at least six months beyond your final session date. We also strongly recommend you have at least 3 to 5 blank pages available, as entrance requirements frequently change and you may be denied entry should these pages be unavailable.

We highly recommend you use certified mail or a delivery service such as FedEx or USPS Express Mail when sending your passport to a visa service. Please be sure to use a service that enables you to track your package and provides a delivery confirmation.

Instructions for Non-US Citizens

G3 is able to process visas for non-US citizens who reside in the US, and will provide guidance for travelers who reside outside the United States. If you are a non-US citizen, please reach out to G3 for more information about the visa process directly at 888-883-8472 or RusticPathways@g3visas.com.

Njoro Village Service Immersion

Immerse yourself in village life on this one-week service program in northern Tanzania, near Mt. Kilimanjaro. Help transform a primary school into a more effective environment and get a firsthand introduction to Tanzanian culture. Partner with the community to complete important school construction projects and increase students' confidence in English and life skills by engaging them in activities. Take a break from service to learn about local life as you explore marketplaces and farms, and learn how to cook local staple foods like ugali. Live comfortably in a cozy village guesthouse, take in the spectacular scenery during a hike to a nearby waterfall, and try your hands at pottery after a demo from local craftswomen. This program is ideal for students who seek an immersive volunteer experience in a shorter period of time, or who want to connect with other programs in Africa.

Africa Here We Come!

Days 1 - 2

Your adventure in Africa begins as soon as you board the flight to Tanzania. All of Rustic Pathways' scheduled group flights to Tanzania depart from New York and are escorted by a flight leader. After boarding the flight in the evening, you'll have plenty of time to relax, get to know your fellow travelers, and sleep in preparation for your arrival to Africa. Team Tanzania will be ready and waiting to take you on the adventure of a lifetime when you arrive at the airport.

Welcome to Tanzania! You will arrive into Arusha in the evening and transfer to the Rustic Pathways guesthouse. This first night in Africa will offer the chance to get to know the other students on your program, your staff members, and your new host country. Your guides will give you a quick orientation that will introduce you to the local culture and prepare you for an exciting week of service.

Meet and Greet

Day 3

Transfer to your base which is located in the heart of Njoro village. The property has been set up for Rustic Pathways to have sole use of the summer camp-style dorm rooms and grounds throughout the summer. You will meet some of the most important people of the village and get a tour of your new home as well as the projects that you will be working on for the week.

Let the Work Begin

Day 4

Today will be your first full day of service work. Focus primarily on an education and community infrastructure project designed to enhance the capacity of the community to provide an improved and sustainable learning environment for the students. Engage in after-school games and activities with the primary school students to enhance their cross-cultural competence, communication, and teamwork skills. Immerse in village culture as you learn to cook local foods, milk a cow, try to make the local style of pottery, and explore the geography of the village.

Visit to a Local Market

Day 5

Knock out a few hours of service in the morning, then hop on the bus for your first excursion outside of the village and an authentic cultural experience. Visit a local Masai market where people come together twice per week to buy, sell, and barter everything from produce, to basic household supplies, to cows. On the way back, stop at a city supermarket for a comparison to see a different side of Tanzania, and talk with your peers as you reflect on the tension between tradition and modernity.

Off to Safari!

Day 6

Start your morning with an important village ritual – church. Religion is a big part of community life and the social fabric, and shows our respect for the community. Then hop into some 4x4s and head out on safari! Spend a day on a game drive in Arusha National Park, a gem off the usual tourist circuit. Look for baboons, birds, and other monkeys, and if you're really lucky you may even spot elephants and giraffes.

Return to the Village

Day 7

Once again, return to the community and your various projects. You have one more morning to complete your work and spend time with the students that have hopefully now become your good friends.

In the afternoon, enjoy a closing ceremony with the students, teachers, and community leaders. Exchange contact information with newfound friends, say goodbye to the community that has been your home for the past weeks, and hopefully plan your return one day!

Goodbye Africa

Day 8

Return to Arusha early in the morning for a city excursion. Enjoy a Swahili meal in town for your last taste of local cuisine, and then hit the markets and barter prudently as you browse the stalls for popular souvenirs like paintings, Tanzania soccer jerseys, wood-carved masks, the Masai tribal blanket called the shuka, and more! Options abound. Compare your purchases with your friends as you prepare for your journey home in the evening.

Return Home

Day 9

Return home to the sights, sounds, and smells you grew up with, and the loved ones who will greet you at the airport as you say goodbye to your newfound friends. Take a moment to pause and reflect on what you and your

group accomplished. What challenged you? How did you engage with the place and the people that you visited? And more importantly, how will you amplify their stories as you tell others about the growth-filled experience you've just had?

We trust you've had an incredible time and look forward to seeing you again soon.

Kwaheri na safari njema! Goodbye and safe travels!
