

2019 Visa Information

Tanzania

U.S. citizens must obtain a Tourist Visa for Tanzania prior to departure from the USA. Instructions are below for completing the application process. The Visa requirements for non-US citizens vary widely.

Rustic Pathways has partnered with G3 Global Services to provide support for the visa process and make this as simple as possible for you. For US Citizens and residents, G3 can assist with visa applications as well as passport renewals and additional pages (fee paid directly to G3). G3 will refer non-US residents to the appropriate embassy, consulate or resource as needed free of charge.

Instructions for US Citizens

To take advantage of G3 assistance, please follow the attached application and an instruction sheet from G3 Global Services as well as the attached application. Please note that there are additional requirements listed for travelers under age 18. If you have any questions or problems as you move through this process, please reach out to G3 directly at 888-883-8472 or RusticPathways@g3visas.com.

Should you choose to apply for your visa directly through an embassy or different visa service, please contact your personal travel advisor for the additional information needed. The online forms are valid for G3 Global Services only.

We recommend that you apply for your visa 6-12 weeks prior to your departure from the US. If you wish to apply for your visa more than 12 weeks in advance of departure, please email RusticPathways@g3visas.com to discuss your visa processing.

Also note, your passport should be valid for at least six months beyond your final session date. We also strongly recommend you have at least 3 to 5 blank pages available, as entrance requirements frequently change and you may be denied entry should these pages be unavailable.

We highly recommend you use certified mail or a delivery service such as FedEx or USPS Express Mail when sending your passport to a visa service. Please be sure to use a service that enables you to track your package and provides a delivery confirmation.

Instructions for Non-US Citizens

G3 is able to process visas for non-US citizens who reside in the US, and will provide guidance for travelers who reside outside the United States. If you are a non-US citizen, please reach out to G3 for more information about the visa process directly at 888-883-8472 or RusticPathways@g3visas.com.

Yellow Fever Vaccination Shortage Until Mid-2018

The Centers for Disease Control has announced a shortage in yellow fever vaccine within the U.S. through mid-2018. If interested in receiving this vaccine, please talk with your doctor and visit this website to find a travel clinic near you that has the vaccine. It is recommended that you always call the clinic before arriving onsite to verify their available supply. In relation to Rustic Pathways' programming, this shortage only affects students traveling directly from Peru to a Latin American country (including Costa Rica, the Dominican Republic, and Cuba).

Visit the CDC website for detailed information on Yellow Fever or to learn more about specific regions the CDC has identified as an infected country.

📍 Africa here we come!

Day 1

All of Rustic Pathways scheduled group flights to Tanzania depart from New York. All scheduled group flights to Africa are escorted by a Rustic Pathways Flight Leader. The flight departs New York in the evening and takes about 16 hours. During your flight take the time to get to know other students on your flight, get some sleep in preparation for your arrival into Africa.

📍 Meet and Greet

Day 2

Jambo! Welcome to Tanzania. You will arrive into Arusha, Tanzania in the early evening and will transfer to the Rustic Pathways hotel. Spend the night getting to know the staff and as part of your initial orientation, you will be taught many aspects of Tanzania protocols and expectations of behavior.

📍 Exploring Serengeti National Park

Day 3

Depart early morning from Arusha to experience the magnificent wildlife in Tanzania's richest game park. Learn about animal behavior, conservation, tribal customs, and wildlife-human interaction from your safari drivers, as you can ask them just about anything! During your time in the Serengeti you will spend the nights camping out among the wildlife under brilliant blanket of stars carpeting the African sky.

📍 The Big Five

Days 4 - 5

Spend time in the Serengeti and the Ngorongoro Crater, two of Tanzania's most important protected areas and world-famous national parks. The *kopjes*, or massive islands of granite standing in a sea of grass, provide shelter to a great variety of animals from the elusive leopard to the tiny dik-dik. IF you ask them, your guide will teach you to track animals, paying particular interest to any species we have yet to see. In the afternoon of the fifth day, drive to Kilimanjaro airport and hop on a quick flight to Zanzibar, where ancient Islamic ruins, dense jungle, noble Arabic houses, and white, sandy, palm-fringed beaches coexist.

📍 Stone Town, Sun and Sand

After several days on the dry plains of the Serengeti, awake today on the Island of Spice, a place rich with history and a melting pot of different cultures. Spend today exploring the fragrant ingredients that give this island its nickname. Enjoy a spice tour with one of our local guides, and take this opportunity to focus on capturing the colors and textures that surround you.

Dhow Sailing

Day 7

Launch from the beach on a traditional wooden sailing down into the waters of the Menai Bay Conservation Area, home to dolphins, coral reefs, and various tropical sea life. Snorkel in the clear blue waters of the Indian Ocean, then take a break for a phenomenal seafood buffet and sunbathing on the beach at Kwale Island. Sail back to Zanzibar island in the late afternoon and engage in a heartwarming closing Rustic tradition over dinner.

Arusha and Goodbye, Africa

Day 8

Say goodbye to Zanzibar as you fly back to Arusha, a small African town nestled in the shadow of Mount Meru—Tanzania's second-highest peak. Head to the market for some last minute souvenir shopping and enjoy the chance to recount some of the wonderful memories you have of the last few days before your evening international flight home.

Return Home

Day 9

Return home to the sights, sounds, and smells you grew up with, and the loved ones who will greet you at the airport as you say goodbye to your newfound friends. Take a moment to pause and reflect on what you and your group accomplished. What challenged you? How did you engage with the place and the people that you visited? And more importantly, how will you amplify their stories as you tell others about the growth-filled experience you've just had?

Kwaheri na safari njema! Goodbye and safe travels!
